Vista Center empowers individuals who are blind or visually impaired to embrace life to the fullest through evaluation, counseling, education and training.

Vision
We believe that vision loss need not be a barrier to independence.

Vista Center for the Blind and Visually Impaired (Vista Center) is a private, nonprofit 501(c)(3) organization founded in 1936 and incorporated in 1945.
SAFE & HEALTHY LIVING

1047 CLIENTS IN 2015-16

The Safe and Healthy Living program assesses the individual needs of a client and develops a customized plan of action for teaching the skills that enable independence.

- Social Services
- Orientation & Mobility
- Daily Living Skills
- Counseling & Support Groups
- Shared Paths Adult Recreation
- The Health Library
- Support for Vocational Services
- The Store
- Volunteers

LOW VISION SERVICES

656 CLIENTS IN 2015-16

By conducting evaluations, which result in recommendations and education to enhance the use of remaining vision, Vista Center’s specially trained low vision optometrists provide devices, services and support that alleviate fear and restore hope.

- Low Vision Clinic
- Lighting Evaluations & Contrast Training
- Low Vision Aids & Devices Training
- Low Vision Expo

TECHNOLOGY PROGRAM

206 CLIENTS IN 2015-16

Vista Center’s Technology Program is leading the way in bringing technology that was once only available to the sighted community to those who are blind or visually impaired.

- Technology Lab Days
- Technology User Group
- Assistive Technology Training
- Concierge Training in Your Home
- Technology for Youth
- VIPTUC (Visually Impaired Persons Technology Users Conference)

CHILDREN & YOUTH SERVICES

1121 CLIENTS IN 2015-16

The Children and Youth Services program provides young clients with the tools, strategies, confidence and courage to build the future that they dream of and that is possible.

- Family & Youth Activities
- When I Grow Up
- Teens Together Plus
- Braille Challenge
- Instruction in Schools
